

Data Protection Declaration for Participants at Energy Masters' Conference, Friday, September 23, 2022, "Strategies for the Sustainable Transition: Challenges, Opportunities and Expertise"

1)

Data protection and ensuring data protection are important concerns for TUBS / TU Berlin. The processing of personal data occurs with strict respect for the principles and requirements set forth in GDPR (General Data Protection Regulation). TUBS / TU Berlin only processes the data required for the purposes intended and endeavours at all times to guarantee the security and correctness of the data.

The following data are processed in this data processing • Name • Institution • Email • Address • Contribution data including co-authors • User agent (browser) • IP address (for security reasons)

Legal basis for the data processing: This use of personal data is based on article 6, paragraph 1, letters c) (legal obligation) and e) (performance of a task in the public interest) GDPR.

Purpose of the data processing: We collect your personal data for processing and transmission of data for the organization and management of the Energy Masters' Conference, Friday, September 23, 2022, "Strategies for the Sustainable Transition: Challenges, Opportunities and Expertise".

Advertising of the event with personal data: Personal data of selected persons such as lecturers and participants in a panel discussion (name, employer, and photograph) are published for the purpose of advertising the event.

Data processing for purposes of management and security of the system: Due to applicable statutory data security regulations, several items of your data are processed for management and security of the system, including for user code management, allocation of hardware and software to system users as well as for the security of the system. This includes text documents generated and stored with automated support (such as correspondence) in these matters. Without this data processing safe operation of the system and thus employment in our undertaking is not possible.

Images and videos: In the context of the event, images and videos are produced for which we need your consent. They are used for marketing purposes (event reports, advertising of subsequent events and self-marketing) and for documentation purposes. If you do not agree with the use of these images, you can contact us at any time under contact@master-in-energy.com. We will provide special areas where there will be no photographing.

Transmittal to third parties: No third-party firms work outside the EU.

Right to appeal: If you feel that the processing of your data violates data protection law or your data protection law claims in any other way, you can file appeal with the German Data Protection Authority.

2) **General Terms of Agreement at Energy Masters' Conference, Friday, September 23, 2022, "Strategies for the Sustainable Transition: Challenges, Opportunities and Expertise"**
